

## OPPORTUNITY FOR INCREASED BUSINESS EXPOSURE

Androscoggin Valley Soil and Water Conservation District is committed to protecting and conserving our natural resources by promoting stewardship in Androscoggin and Sagadahoc Counties. To accomplish this task, we need to develop a team effort with local businesses interested in conservation and environmental issues.

The Conservation District wants to give you the opportunity to have increased business exposure and have decided the way to do that would be to make a "Sponsored Ads" page on our website where you can have a listing. This page will be developed. You may see our website at [www.androscogginswcd.net](http://www.androscogginswcd.net). Your fee for the ad will help cover our website costs and other District programming.

***Our annual fee structure would be as follows:***

- o Name, Contact Information and Location: \$15 (seasonal from Spring to Fall)
- o Name, Contact Information and Location: \$25
- o Name, Contact, Location, Logo and business description (i.e. service or products sold), \$50
- o Name, Contact, Location, Logo and business description (i.e. service or products sold) linked to your company website: \$100
